

Manufacturers & Stockists of Nickel Alloy, Titanium Alloys, Special Metals & Stainless Steel Products

RING TYPE JOINT GASKETS – TYPE R

(AS PER ASME B16.20 / API 6A / API 17D)

Manufacturers & Stockists of Nickel Alloy, Titanium Alloys, Special Metals & Stainless Steel Products

We at Jade Special Metals are one of the well-known manufacturers, traders and suppliers of **R Type RTJ GASKETS**. We have developed products for a range of industries over the years. We have a range of products that we develop and design to address the needs of the markets effectively.

Our **R Type RTJ Gaskets** are available in Both Octagonal and Oval Shape to meet the requirements of the customers as per the applications. We are always ready to take that extra step to help our customers in helping them find products that fit their need perfectly. We offer RTJ Gaskets in variety of sizes, thickness, grades, standards and Coatings. Our RTJ Gaskets are available in Stainless Steel, Carbon Steel, Alloy Steel, Titanium, Hastelloy, Inconel, Copper-nickel, Incoloy, Titanium and more.
